9	2026 Seismic Design Competition

The Earthquake Engineering Research Institute (EERI) is the leading non-profit dedicated to understanding earthquake risk and increasing earthquake resilience in communities worldwide.

Since 1948, we have brought together a multidisciplinary membership of experts including researchers, practitioners, and students in engineering, geoscience, social science, architecture, planning, government, emergency management, public health, and policy making.

Mission

EERI provides members with the technical knowledge, leadership and advocacy skills, collaborative networks, and multidisciplinary context to achieve earthquake resilience in their communities worldwide.

Vision

A future where communities worldwide understand their earthquake risk and act to improve their resilience to earthquakes and other hazards.

13th National Conference on Earthquake Engineering

July 13-17, 2026 in Portland, Oregon

Held once every four years, the U.S. National Conference on Earthquake Engineering (13NCEE) is a unique opportunity for researchers and practitioners to share the latest knowledge and techniques to understand and mitigate the damaging effects of earthquakes and tsunamis.

“

I like the fact that most of the earthquake community were together to exchanged ideas. The attendees are not just limited to people from the academia, there were people from industry, FEMA, NIST, and more who have opened my mind to broader issues.

12NCEE Attendee

”

13NCEE Sponsorship Opportunities

13NCEE is your chance to reach a broad range of disciplines that contribute to earthquake resilience. Your sponsorship exposes your brand to architects, civil engineers, structural engineers, seismologist, geologists, geotechnical engineers, public policymakers, regional planners, social scientists, and emergency response managers.

By the Numbers

1,300

13NCEE ATTENDEES

500

STUDENTS AT THE SEISMIC
DESIGN COMPETITION

125

TECHNICAL SESSIONS

600+

PAPERS COVERING
EVERYTHING FROM
EARTHQUAKE
ENGINEERING TO
DISASTER MITIGATION

Dynamic Content

Poster sessions

FEATURING 200+
PRESENTATIONS

Field trips

TO EXCITING GEOLOGICAL
AND ENGINEERING
LANDMARKS

Workshops

FOR IN-DEPTH TRAINING ON
THE LATEST DEVELOPMENTS
IN THE FIELD

Achieve Your Goals

Announce new products
to a diverse audience

Tiered sponsorship
options that fit any budget

Demonstrate your
products and technology
to generate high quality
leads

Showcase your leadership
in earthquake resiliency to
the foremost experts in
the field

13NCEE Sponsorship Opportunities

Benefits	Anchor EXCLUSIVE \$40,000	Sustainer \$15,000	Partner \$7,500	Supporter \$4,000
Recognition on conference website, onsite signage, intermission slides, & program	Logo	Logo	Logo	Name
Conference Registrations	3	2	1	1
Concurrent Session Recognition with a 30 second video	4 sessions	3 sessions	2 sessions	1 session
Provide tote bag item for attendees	✓	✓	✓	✓
Exhibit Booth	PREMIER Deluxe	PREMIER Standard	Standard	
Recognition at Undergraduate Seismic Design Competition (signage, stage, and website)	Logo	Logo	Name	
Plenary stage recognition on banner and from podium	✓	✓		
Logo on one-side of conference tote	✓	✓		
Exclusive welcome reception recognition	✓			
Logo on lanyard	✓			
Choose 1 additional, exclusive recognition opportunity from the following options to receive exclusive signage/logo recognition*:	<ul style="list-style-type: none">• WiFi sponsor• App sponsor• Hotel key card sponsor• Networking lunch sponsor• Diversity Event sponsor		<ul style="list-style-type: none">• Networking break sponsor• Poster Session & Reception sponsor	

**For those events with multiple occurrences, you must choose one. For example, there are three networking lunches, you must choose either Tuesday, Wednesday or Thursday*

13NCEE Add-On Sponsorship Opportunities

EERI is excited to offer the following ala carte sponsorship items to those looking to create a custom partnership for their 13NCEE business goals.

Sponsored Industry Session

\$10,000
PER SESSION

The opportunity to create your carefully curated session at 13NCEE.

You craft a session that highlights your contributions to earthquake resiliency.

Your session will be listed in the conference program and promoted like all other concurrent sessions.

Concurrent Session Sponsorship

\$1,500
PER ONE SESSION

\$6,000
BUNDLE OF 6 SESSIONS

Sponsor a concurrent session organized and designed by 13NCEE Program committee.

- Benefits:
- Name listing under session in conference program and materials
 - 30 second sponsor video (or verbal mention, if preferred) at start of session

Scholarship Fund Donation

\$1,500
OR ANY MULTIPLE

Support the attendance of student and young professionals to 13NCEE.

This donation is tax-deductible to the fullest extent of the law.

Recognition as Scholarship Fund supporter on conference website and materials.

13NCEE Exhibitor Benefits

Your brand can reach a multi-disciplinary group of attendees when you exhibit at the 13NCEE. Every exhibitor package includes:

- 6' skirted table
- Two chairs
- Existing carpet
- Pipe and drape
- Waste basket
- One full conference registration
- One exhibitor registration with access to exhibit hall only (*note: Superior and Deluxe can receive 2 exhibitor registration*)
- Name in exhibitor listing on website and conference program

PREMIER booths are only available to 2025 and 2026 EERI Subscribing Members (must be a subscribing member both years). To recognize our Subscribing Members' commitment, these booths are placed in high traffic areas (near food, corners, entrances, etc). Superior Island has an entrance on all four sides.

Sponsors who receive a free booth can upgrade to a premium booth option by paying the difference between their complimentary booth and desired booth.

	Limited Early Access* (By October 31, 2025)	Early Bird (By February 28, 2026)	Regular (after February 28, 2026)
Superior Island (20 x 20)	\$12,000 (non-member) \$6,950 (member)	\$12,200 (non-member) \$7,200 (member)	\$14,600 (non-member) \$8,600 (member)
PREMIER Deluxe (20 x 10)	\$4,450 (member only)	\$4,700 (member only)	\$5,600 (member only)
Deluxe (20 x 10)	\$7,000 (non-member) \$3,950 (member)	\$7,200 (non-member) \$4,200 (member)	\$8,600 (non-member) \$5,100 (member)
PREMIER Standard (10 x 10)	\$2,750 (member only)	\$3,000 (member only)	\$3,500 (member only)
Standard (10 x 10)	\$4,000 (non-member) \$2,250 (Bronze & Government members) <i>FREE Silver Subscribing Members and above</i>	\$4,200 (non-member) \$2,500 (Bronze & Government members) <i>FREE Silver Subscribing Members and above</i>	\$5,000 (non-member) \$3,000 (Bronze & Government members) <i>FREE Silver Subscribing Members and above</i>

**Limited early access pricing is available only to prior EERI sponsors and exhibitors, or current subscribing members only. Early Bird pricing applies to all others when exhibit sales open. If your subscribing membership lapses in 2026, you will be invoiced for the full exhibitor booth cost.*

2026 Seismic Design Competition

July 2026 in Portland, Oregon

The Seismic Design Competition (SDC) will be held at the 13NCEE this year in Portland, Oregon. The SDC is a longstanding tradition at EERI's Annual Meetings and National Conferences. The competition provides civil engineering undergraduate students with an opportunity to work on a hands-on earthquake engineering project to design and construct a cost-effective frame building to resist seismic loading.

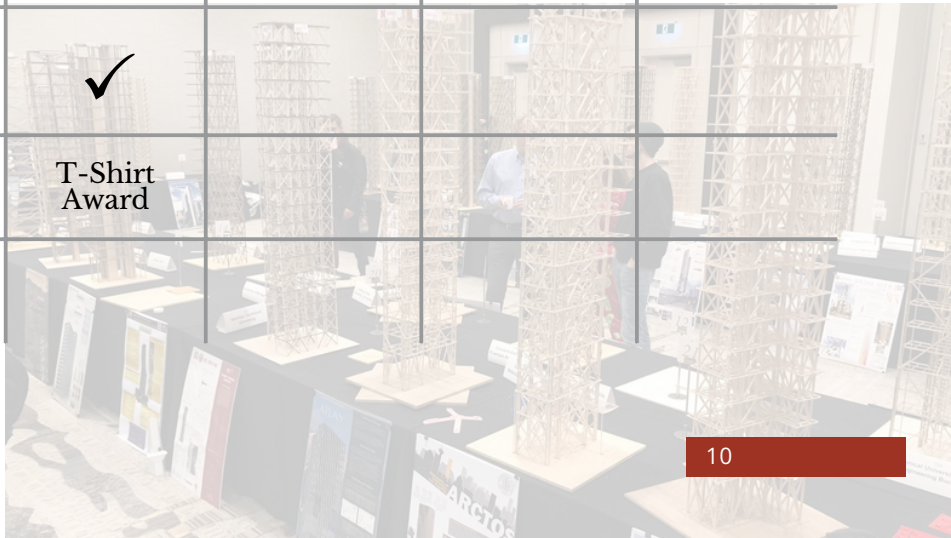

Organized by EERI's Student Leadership Council (SLC), the SDC draws student teams from universities around the world. Teams are judged on their oral design presentation, their summary poster, the model's architectural design, their ability to fit within the design criteria and constraints, their analytical prediction of their model performance, and the response of their model during shaking table testing. Their balsa wood models will be put to the test on Shaking Day

2026 SDC Sponsorship Opportunities

Benefits	Anchor + Meal EXCLUSIVE \$100,000	T-Shirt Sponsor EXCLUSIVE \$15,000	Live Stream Sponsor EXCLUSIVE \$10,000	Champion \$7,000	Supporter \$4,000
